ISSUES ASSOCIATED WITH POOR WATERPROOFING

Watermark / Leakage

Blistering

Peeling & Flaking of paint

Algae & Fungi Growth

JOTUN WATERGUARD – YOUR WATERPROOFING PAINT SOLUTION

Jotun WaterGuard is the trusted solution for protecting your property from water damage. With its innovative Rain PRO-TECH technology, it forms a durable barrier that actively repels water and prevents it from penetrating the surface beneath. Formulated to withstand the humidity of South East Asia's climate. Whether you are looking to prevent water damage or just want to add an extra layer of protection to your walls, Jotun WaterGuard is a reliable solution that provides peace of mind during the rainy season.

NEW & IMPROVED

- **WATERPROOF** – Forms a protective barrier that keeps your exterior walls dry and protected against rain and moisture. Suitable for side walls exposed to rainfall all year long.
- **EASY TO APPLY** – Time-saving, convenient to use with no dilution required for a smooth finish.
- **ANTI ALGAE & ANTI FUNGAL** – Lasting protection against algae and fungus formation for a cleaner looking wall.
- **ELASTICITY** – Stretchable film that covers hairline cracks and prevents water seepage.
- **DIRT RESISTANT** – Prevents adherence of dirt on walls, keeping them clean for longer.
